Report Moved Jo 2<sup>nd</sup> Peter H

**Business Arising:**

- Lea to be reimbursed for the Aussie items she purchased.
- Peter & Lea to receive \$50 gift/payment for assisting Peter H with entertainment.
- Lunches were low on payments, this may be due to the money tins not being obvious enough and more signs could help also. Plus listing all costs on the itinerary may help.
- There were lots of volunteers helping over the weekend.
- The large hall was a bit hot due to the hot weather, could consider other room with air con.
- There was a couple of people mentioned that they were shocked that the dorm was unisex, could look into a partition.
- There was lots of positive feedback on the venue, members were asking if we would hold next year there as well.
- The kids room and the sports gear was used, but a bit hot for outside play.
- Some members got lost, so we could look at putting a map on the itinerary next time.
- We ran out of water due to hot weather but had excess sausages.
- The raffle prizes were great but there was not many sales of raffle tickets at the groups.
- Signs could be laminated to assist members with cost info etc.
- Evening meal was a real hit.
- Groups instead of individuals becoming the committee worked well.
- Consideration to offer accommodation for Friday as well as Saturday and note on itinerary.
- Al-anon to be notified early to assist them with their organising of meetings.
- Roger to double check accuracy of accommodation costs & deposit.
- Roger to collect and hold all items for next year.

**Meeting closed 7.05pm with the Serenity Prayer**
